PROFESSIONAL SUMMARY

AI trainer and builder who gets teams using AI every day and builds the AI tools they use. Led a full school staff from 0% to 86% daily AI use in 15 months; now ships AI products and AI-built client training as founder of PalmettoGroup.AI. 21 years in education, 8 years leading staff, MBA and M.Ed. Open to remote or Upstate SC roles.

CORE SKILLS

AI Training & Enablement | AI Tool Integration & Adoption | AI Agents & Guardrails | Prompt Design | Change Management | Curriculum & Training Design | Data Dashboards & KPIs | People Leadership

PROFESSIONAL EXPERIENCE

Founder, AI and Business Consulting | PalmettoGroup.AI, a division of ZenFrog LLC | Aug 2025 – Present

- Delivered three OSHA-checked pre-class e-learning courses for a fire-safety company and a fully sourced SEO audit with a 90-day plan for a local service company.
- Built Decision Desk, an AI agent that scores leads with a confidence level, lets code make the final call and sends low-confidence cases to a person.
- Shipped EDITRON, an AI video editor in use through 20+ releases, and 3 iPhone apps on the App Store.

Principal | Western Reserve Middle School, Collins, OH | Jul 2023 – Aug 2025

- Drove AI adoption from 0% to 86% daily use across staff in 15 months, saving the staff 12+ hours a week combined; built the training curriculum and support docs and advocated for AI with upper administration.
- Raised a bottom-5% school to state average in two years (Ohio School Report Cards); state test scores up 18%, student failure rates down 67%.
- Achieved 99.98% completion across 86,779 assignments with a school-wide tracking and accountability system.
- Led the IXL rollout from pilot to district-wide, including vendor selection, contracts, onboarding and staff training.

Virtual Learning Academy Coordinator | Woodmore Schools, Elmore, OH | Jul 2017 – Jun 2023

- Scaled K-12 online learning from 100 to 1,000 students through a vendor solution; kept graduation above 93% (Grade A) every year.
- Supervised the grading teachers, including their pay; trained all staff and graders on the LMS and built self-service support sites.
- Built a live Excel dashboard for stakeholders and saved the district $20,000 with a distance learning alternative.

Teacher, Computing, Business, History & Communication | Woodmore Schools, Elmore, OH | 2004 – 2017: Created 20+ courses; taught HTML, CSS, Python and Adobe Creative Suite.

Co-Founder & Head of Go-to-Market | The Dogwood Company, LLC, Bowling Green, OH | Oct 2017 – May 2022: Co-founded a skincare line; led market research, positioning and pricing models.
